

HOW QUALIFIED ARE THE OPPORTUNITIES IN YOUR TEAM'S PIPELINE?

Over the past 15 years, FranklinCovey has worked with thousands of sales teams all over the world, and studied what the top performing sales professionals do *as a matter of habit*. **Helping Clients Succeed: Qualifying Opportunities** is designed to help sales teams *consciously replicate* these best practices in order to achieve *superior results in qualifying their deals*.

Qualifying Opportunities helps sales professionals quickly and effectively identify good opportunities in their pipelines and significantly decrease 'pipeline fiction' by eliminating the weak ones. The results are less time chasing the wrong deals, more time focusing on the right deals, and dramatic decreases in the overall cost of sales.

THE KNOWING-DOING GAP

In regards to sales training, there is a lot of "good stuff" to choose from. *The challenge isn't finding it, the challenge is helping your sales team get good at doing the good stuff!*

In order to help sales professionals get good at qualifying opportunities, *Helping Clients Succeed* employs an expert-designed playbook system that allows sales teams to practice and apply proven best-practices over the course of 12-weeks.

RETURN ON INVESTMENT

Qualifying Opportunities was designed to guarantee a clear and significant return on investment. From start to finish, participants work on current deals while tracking and reporting their progress.

OUR PROMISE: *You and your sales team can get significantly better at qualifying opportunities in and out of your pipeline as you apply the mindsets, skillsets and toolsets of top performers over the course of 12 weeks.*
